Subject: Final Underground Injection Control Permit No. FLI0039
Effective: ~~1 APR~~ 16 2012
Permit Writer: Mr. James Ferreira

Dear Mr. Stechmann:

Enclosed is the Underground Injection Control permit referenced above. This action constitutes the U.S. Environmental Protection Agency's final permit decision in accordance with 40 CFR §124.15(a).

Under 40 CFR §124.19, any person who filed comments on the draft permit or participated in the public hearing may contest this decision by petitioning the Environmental Appeals Board to review any condition of the permit decision. In this case, since no public hearing was held and no comments were filed during the public notice period, no appeal may be taken regarding this decision. Pursuant to 40 CFR §124.15(b), this permit will be effective as specified in the permit.

If you have any questions concerning the enclosed permit, please contact us at the above address or by calling Mr. James Ferreira at (404) 562-9399.

Sincerely,

A handwritten signature in black ink, appearing to read "James D. Giattina".

James D. Giattina
Director
Water Protection Division

Handwritten initials, possibly "JF", in black ink.

Enclosure

U.S. ENVIRONMENTAL PROTECTION AGENCY
UNDERGROUND INJECTION CONTROL PERMIT
AUTHORIZATION TO OPERATE A CLASS II INJECTION WELL
EPA UIC PERMIT NUMBER FLI0039

Pursuant to the Underground Injection Control regulations of the U.S. Environmental Protection Agency codified at Title 40 of the Code of Federal Regulations (CFR), Parts 124, 144, 146 and 147,

BreitBurn Florida, LLC
P.O. Box 3236
Immokalee, Florida 34143

is hereby authorized to construct, operate, plug and abandon the following Class II disposal injection well:

Red Cattle #32-5 SWDW
West Felda Oil Field
Hendry County, Florida
Sec. 32 T45S x R28E
231' FNL x 345' FWL

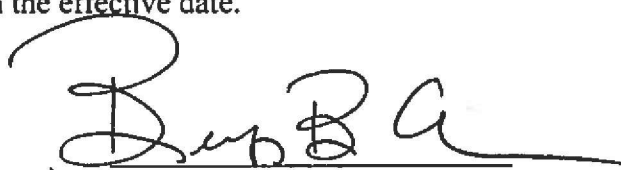

This authorization is in accordance with the limitations, monitoring requirements and other conditions set forth herein. This permit consists of this cover sheet; Part I, 7 pages; and Part II, 11 pages.

All references to Title 40 of the Code of Federal Regulations are to regulations that are in effect on the date that this permit becomes effective.

This permit shall become effective on 1 APR 16 2012.

This permit and the authorization to inject shall remain in full force and effect during the operating life of the well, unless this permit is otherwise modified, revoked, reissued, terminated, or a minor modification is made as provided at 40 CFR §§144.39, 144.40 and 144.41. This permit shall be reviewed at least once every five years from the effective date.
